PERSONAL SUMMARY

I am an excellent and determined lady. During my School and University days, I was honoured to receive various leadership awards for my full participation in curricular and co-curricular activities. That made me a very learner who can adapt very fast to new environment and situations. I can also communicate and socialise very well with people around me.

CAREER OBJECTIVES

- To be a team player and cherish the virtue of team work.
- To use professional approach to problem solving.
- To thrive on working in a challenging environment.
- To lead and inspire others to perform. I am thus presently looking for a position that is diverse and provides job satisfaction.

COMPETENCIES (SKILLS, EXPERIENCE AND PERSONAL ATTRIBUTES)

- I am a self-motivated person who can work with minimal supervision or non at all.
- I have very good communication skills.
- I have good writing and reading skills.
- I have computer skills in Microsoft word, Microsoft excel, Microsoft publisher and Microsoft PowerPoint and soft wares such as latex that eases use of mathematical symbols.
